# *From the* **Director's Desk**

**Dear Students, Parents, and Esteemed Faculty,**

At Shivoy School of Excellence, we believe education goes beyond textbooks. Our aim is the **all-round development** of every child – physical, mental, social, and moral.

Sports and physical education form the backbone of a healthy mind and disciplined life. As we celebrate achievements in academics, we equally celebrate the spirit of sportsmanship, teamwork, and resilience that our students display on the field.

We are committed to providing world-class infrastructure, dedicated mentors, and opportunities that help each child discover their true potential. Whether it's in the classroom, on the sports ground, or in life, we want our students to embody excellence.

Let us work together to nurture champions – not just in sports, but in character and values.

**Warm regards,**

**Director**

# Parents Feedback

“ We sincerely appreciate the immense hard work and dedication shown by the school towards the students.

As parents, we can clearly see your efforts reflected in the behavior and values of our children. Your commitment, care, and attachment towards the students have always been truly admirable.

We extend our heartfelt thanks to the entire team of Shivoy School of Excellence for their continuous support and dedication.

Thank you very much.

**Tara Chand Mewara**  
Father of Miss Vedika Mewara (Grade 7)

“ Namaste,  
My child, Parshiv Upadhyay, is a student of Grade 3 at Shivoy School of Excellence. He has been studying at the school for almost three years, progressing from Grade 2 to Grade 3.

I would like to share a brief feedback that the school gives excellent overall attention to each child, which I consider a major positive aspect. Another significant highlight is the continuation of the “mother teaching” concept, which is truly commendable and very reassuring for parents.

I am extremely satisfied and would like my child to continue his education here for as long as possible.

Thank you.
